SAFETEC BOXING GLOVES

For those who like the feel of a professional boxing glove when training, the Safetec glove is the best option. The foam developed by Cleto Reyes is formulated for a density equivalent to an official fighting glove and they last 200 times more than a regular fighting glove. You will have a great comfort at training while retaining the slim shape of a professional glove. Highly qualified and authorized to be used in professional fights, they are ideal for sparring.

Made with high quality leather, water repellent nylon linings, attached thumb and the traditional extra long laces.

HOOK AND LOOP

VINTAGE EDITION

We celebrate 80 years of history and excellence with a design that pays tribute to our origins. The 80th Anniversary Edition by Cleto Reyes is a collector's piece that honors the craftsmanship, tradition, and spirit that have defined our brand for eight decades. Each pair features Don Cleto Reyes' original signature, the first oval-shaped logo used on our earliest gloves, and meticulously embossed details in low relief over 100% genuine leather. The unique vintage brown tone and its special finish evoke the timeless character of our beginnings — authentic, bold, and built to last.

PRICE VARIES

OFFICIAL BOXING RING

Professional level equipment including all items required to complete an official and complete Cleto Reyes branded ring.

- Reinforced-steel structure and posts.
- Cushion-covered ropes with steel cable core, sectioned for easy mounting.
- Turnbuckles in each corner regulate tension.
- Long-lasting double layered ring padding; soft antishock surface reduces wear during combat. Divided into sections for easy storage.
- Red and yellow corner lamps and buzzer.
- Net weight: 1 800 kilograms (3 970 lbs.)
- Storage space: 7 m3 (1216 cu. ft.)
- Two to four hours assembly time, requiring a team of five people and all materials in site.
- Meets principal professional boxing sanctioning bodies safety regulations.
- Assembly is secured with 180 bolts (½") for stability and strength.
- Boxing ring can be adapted for wrestling purposes, by replacing the central leg with a dedicated spring leg.
- For gym rings, special 2.5 meter posts with plate can work as heavy bag or speedbag base. Up to two apparatuses per post can be installed.
- We provide detailed information for gym and special events equipment. Ring also available for rent according to your needs.
